

BUILD-A-BUFFET

Handmade selections of delicious food, delivered to your door for: parties, weddings, functions or corporate events.

[GET STARTED](#)

Hot and cold

Delivered, ready to eat in Ziplok™ microwaveable bags, to keep your food fresh and delicious. Simply remove the packaging and serve, or for hot food, heat in the microwave for 30 seconds before serving.

Options for all diets

A full choice of vegetarian and vegan options, both hot and cold, with allergy advice* provided across the full range of allergens.

* although every care is taken in our production process, we cannot guarantee allergen free.

Hi! I'm Bartholemew,
Build-A-Buffet's
resident robo-chef.
Let me help you Build-
A-Buffet that your
guests will love.

First; is the buffet for: a
party, wedding, function
or corporate event?
